Jack & Tanya

BYE-BYE, BABY WEIGHT

Since the birth of Thomas last May, **Jack Black**, 39, and wife Tanya Haden, 37, have been helping each other shed pounds with Freshology Fresh Dining home-delivered meals. The *Tropic Thunder* star, who also has son Sam, 2, eats up to 2,000 calories a day of foods like whole-wheat pancakes and veal Parmesan. A pal tells OK!, "He's all for losing weight but said when he stops being funny, someone better get him a burger and fries!"
