**What is your latest fashion obsession?** "Little blazer."

**What's the best fashion advice you've ever received?** "Less is more. Be simple and let YOU be the accessory."

**DEFINE BEAUTY:** *"Beauty really comes from the inside. My goal in life is to be a good person, and I think that's beautiful."*

**How do you take care of your skin?** "I always make sure I wash my makeup off before I go to bed. Never get lazy with that! I also use CellCeuticals Biomedical Skin Treatments."

**Do you have any special diet tips to staying healthy and in shape?** "My diet is very clean and healthy and I am discovering foods that are new to me, like quinoa and tofu. There is no secret to staying in shape and nothing magic — it's all diet and exercise and lots of hard work!"

Kim is also a fan of Freshology Daily Delivery System, a fresh diet delivery program prepared with the finest ingredients available and specifically designed for the purpose of weight loss and maintaining a healthy lifestyle. Visit [freshology.com](http://freshology.com)
